Office of the Registrar & Academic Affairs

Published: January 15, 2026

Document ID: DOC-ACAD-2026-04

1.0 PURPOSE & OVERVIEW

This circular sets forth binding academic requirements for all enrolled students across undergraduate programmes for the Spring 2026 term.

2.0 SCOPE OF APPLICATION

This directive applies strictly to all S5 undergraduate engineering courses across all departments.

Section 3.0: ATTENDANCE & EXAMINATION ELIGIBILITY

Section 3.1: Regular class attendance is mandatory for instructional coherence and laboratory certification.

Section 3.2: The minimum attendance requirement for eligibility to appear for the end-semester examination is 80%.

Section 3.3: Students who fail to achieve at least 80% aggregate attendance in their respective courses shall be ineligible for the end-semester examination.

Section 4.0: TIMELINE & COMPLIANCE

Effective immediately upon notification. Course instructors and departments shall update compliance records.
